SUMMARY

Experienced Java developer who dreams in Java and has a solid grasp of web service development and complex application development. I am excited to continue my career by joining a company composed of driven professionals who value creative problem-solving.

PROFESSIONAL EXPERIENCE

Mkk Fashion LLC Frisco, Texas

August 2021 - March 2023

Junior Java Developer & Web Developer

- Utilized strong configuration management and version control to ensure peak system performance throughout 20+ changes.
- Automated end to end testing, saving engineers over 15 hours each week in manual testing and helping protect ~\$50,000 lost annually to bugs not caught.
- Designed software solutions by analyzing system performance standards, increasing performance efficiency by 27%.
- Developed and executed 300+ test procedures for software components.
- Developed root cause reports to address problems with customer conversions, successfully revealing insights that boosted conversions by 32%

Goodyear Tire Kocaeli, Turkey

June 2015 - July 2015

Software Developer Intern

- Assisted in developing product roadmaps, providing specific suggestions that led to a 10% decrease in the overall timeline.
- Created 70+ detailed design documentation, unit test plans, and well-documented code used by 4-week summer intern program.
- Designed software solutions by analyzing system performance standards, increasing performance efficiency by 27%.
